DATE: 5 December, 1986

RE: Seventh Meeting of the Commission, Moscow, U.S.S.R

Welcome to Moscow.

To assist you in planning your stay in Moscow, you will find attached a detailed time schedule of the events which will take place during your stay in Moscow. Also enclosed is a list of all Commissioners, WCED Secretariat Staff and others who will be attending the meetings here.

As you know, accommodation for all those attending the meeting will be at the International Hotel which is immediately adjacent to the World Trade Center where all meetings of the Commission, the Public Hearings and the joint meeting with GOSPLAN and the Soviet Academy of Sciences will take place.

The official meetings of the Commission and the joint meeting with GOSPLAN and the Soviet Academy of Science will take place in Room 804 on the eight floor of the World Trade Center. A WCED Secretariat Office has also been set up on the same floor in room 810. Coordination of the Secretariat Office will be handled by Mrs. Brita Baker. She will be assisted by Aud Loen and Marie Pierre Destouet. Should you have need of any typing or copying assistance, please feel free to contact any of them. You should note that the Commission meeting room and the Secretariat office are somewhat difficult to find, so you should seek direction to them on the first day. The Public Hearings will be held in the Concert Hall on the second floor of the World Trade Center. A WCED Press Office has been set up in Conference Rooms 2454/55 on the second floor of the Trade Center immediately opposite the entrance to the

Concert Hall. The Press Office will be coordinated by Ellen Permato. She will be assisted by Ms. Fiona Couldrey (a freelance journalist in Moscow). Mr. Yuri Senkievich, a well-known Soviet television personality and naturalist will also be assisting the Commission in contacts with the Soviet Press.

Aud Loen will be handling all travel arrangements and reconfirmations; and you should see her shortly after your arrival to permit her to make the necessary arrangements for your departure.

Should you need any transport during your stay here, you may arrange that through Aud Loen, but you should advise her as far in advance as possible. Only a limited number of cars and drivers will be available to the Commissioners, so use of them has to be coordinated.

Those travelling to Leningrad are asked to see Marie Pierre Destouet at the Secretariat. She will be handling all arrangements for that trip with Intourist. It is important that you do not contact Intourist directly as this will only confuse matters. Thanks for your understanding.

You should note that Intourist will have a hospitality desk in the main lobby of the hotel (from 8:00 a.m. to 9:00 p.m. each day) to assist you with any outings you may wish to make while here. They will have interpreters available to assist you, can arrange tickets for the ballet and circus and will be happy to advise on restaurants, guided tours and shopping possibilities. If you do want theatre or circus tickets, you must request them no later than two days in advance. They can be contacted at 205.66.29.

Should you need any medical assistance during your stay you can either contact the medical service at the hotel/trade center any time of day or night at 253.17.25/26 or ask Aud Loen to arrange for you to see an embassy doctor.

Finally, you should take note of the following telephone numbers at the Trade Center where you can be reached during the meetings:

Commission's Secretariat: 205.64.71
205.64.90

WCED Press Office: 205.67.00
253.10.11

Please note that for security reasons it is essential that you wear your identification badge at times in the Trade Center.
